PROVISION OF PROFESSIONAL SERVICES

The Mauritius Institute of Professional Accountants ('MIPA') wishes to inform the public and all its members that only public accountants and member firms which are registered with MIPA are allowed to provide professional services to the public and for remuneration.

Consequently, any person or firm providing professional services without being registered with MIPA shall be subject to legal action pursuant to the provisions of the Financial Reporting Act.

Professional services means services provided by a professional accountant:

- (a) requiring accountancy or related skills,
- (b) relating to auditing, taxation, management consulting and financial management.

MIPA strictly condemns any practices engaged in the provision of professional services without being duly registered and authorised to act in such capacity.

Members and the public are encouraged to share any information to MIPA, on companies and individuals providing professional services without being registered with MIPA.

You are hereby encouraged to consult members directory on https://www.mipa.mu/home/register_of_members for the list of public accountants and member firms in good standing with MIPA.

The public is hereby required to take notice.
